

An Open Door

Our mission is to prevent life-controlling and destructive addictions to drugs, alcohol, emotional issues, and compulsions.

On our website you will find resources for:

- Parents in understanding your children, facts about addictions, and discipline issues.
- Addicts or friends and family members of addicts that need help.
- Warnings and side effects of drugs and what types of drugs are out there today.
- Christian Counseling and Rehabilitation resources available to our community.

Please know that God will always provide a way out of any life-controlling addiction.

The temptations in your life are no different from what others experience. And God is faithful. He will not allow the temptation to be more than you can stand. When you are tempted, he will show you a way out so that you can endure.

1 Corinthians 10:13

God's Way

- Complete healing starts with a relationship with Jesus Christ.
- Believing that only God can save us from ourselves and our destructive lifestyle and the spiritual powers that strive to destroy us.
- Surrendering the control of our lives to the love of God as presented at the cross of Jesus Christ in His death and resurrection for our sins and the promise of new life in us.
- We become new creations in Christ when we allow Jesus to control our lives.

TRUTH

God is so rich in mercy, and he loved us so much, ⁵ that even though we were dead because of our sins, he gave us life when he raised Christ from the dead. (It is only by God's grace that you have been saved!) ⁶ For he raised us from the dead along with Christ and seated us with him in the heavenly realms because we are united with Christ Jesus. Eph 2:4

How did this happen?

Understand how addictions and habits form:

Finding freedom to break destructive habits and addictions is found by having a personal relationship with Jesus Christ and in the new life that He gives us.

We are no longer slaves to sin.
⁷ For when we died with Christ we were set free from the power of sin. Rom 6:6
